PRESS RELEASE

AIRCAT Pneumatic 1890-P 1" Pistol Impact Wrench

**Designed for Fleet
Maintenance and Professional
Automotive Technicians**

Jupiter, FL February 2017: Florida Pneumatic Manufacturing Corporation is pleased to announce the launch of our new 1" Pistol Grip Impact Wrench designed for Fleet Maintenance.

The 1890P 1" Pistol Impact Wrench provides 2000 ft-lb maximum torque. It features a two jaw clutch that provides unparalleled torque output, and increases the life of the hammer beyond other impact mechanisms. The two jaw clutch does not waste energy; this combined with the precision air motor dramatically reduces air consumption over other 1" impact wrenches to 24.5 CFM free running and 6.1 average

This and other AIRCAT tools are readily available from leading Tool & Equipment & Industrial Distributors. For further information regarding the 1890P and other AIRCAT tools please contact:
