# Press Release

## **AIRCAT Pneumatic 1055-TH: 1/2" Compact Impact Wrench Designed for Auto Tech Professionals**

**Jupiter, FL April, 2015:** Florida Pneumatic Manufacturing Corporation will introduce the AIRCAT 1055-TH 1/2" Compact Impact Wrench in April 2015. The unique ultra compact design features an impressive 500 ft-lb of torque as well as the latest in styling, comfort and design.

- Weighing in at only 2.75 lbs. the AIRCAT 1055-TH produces an impressive 500 ft-lb of torque while incorporating a very unique compact design.
- Reliable Jumbo Hammer mechanism delivers maximum power while increasing reliability.
- Patented "Silencing Technology" reduces the noise level to 89 dBA
- Low weight aluminum alloy housing greatly reduces weight while the trigger mounted forward/reverse and power management system switch provide ultimate control and one hand operation.
- Patented grip design provides added comfort and control

This and other AIRCAT tools are readily available from leading Tool & Equipment & Industrial Distributors.

For further information regarding the AIRCAT 1055-TH and other AIRCAT tools please contact:
