## Press Release

Model 5100-A  
Includes "Blow Mold Kit with  
5-Chisel Set & Quick

### AIRCAT Pneumatic 5100-A-T & 5200-A-T Air Hammer Series

**Jupiter, FL Sept, 2015:** Florida Pneumatic Manufacturing Corporation is pleased to announce the launch of the new AIRCAT 5100-A-T & 5200-A-T in February 2016. This series features the AIRCAT Patented muffler system and AIRCAT Patented handle grip that reduce noise levels and increase operating comfort. This latest design air hammer series also features internal damping that reduces the vibration level to 4.25 m/sec<sup>2</sup>

- AIRCAT 5100-A-T has a 2-5/8" piston stroke and 3,000 BPM for fast cutting action. The 5100-A-T weighs in at 3.3 lbs and has an overall length of 7.6"
- AIRCAT 5100-A kit features the 5100-A-T packed in a blow mold storage case along with five chisels and an additional optional spring type chisel retainer.
- AIRCAT 5200-A-T has a 3-3/4" piston stroke and 2,100 BPM for hard hitting cutting action. The 5200-A-T weighs in at 4.4 lbs and has an overall length of 11.0"
- AIRCAT 5100-A-T and 5200-A-T are fitted with a precision engineered "ball lock" chisel retainer which adds safety while providing fast and convenient change-over of chisels

This and other AIRCAT tools are readily available from leading Tool & Equipment & Industrial Distributors.

For further information regarding the 5100-A-T & 5200-A-T and other AIRCAT tools please contact:
