Press Release

**Spindle Lock
Feature**

AIRCAT: 6295 115° Angle Die Grinder

AIRCAT Jupiter, FL : In April 2021, Florida Pneumatic Manufacturing Corporation will release the AIRCAT 6295 115° Angle Die Grinder. The 6295 features a powerful .6 HP motor making it one of the most powerful 115° grinders in the market. The AIRCAT “silencing technology” featured in the rear rotational exhaust provides quiet operation. A conveniently located spindle lock provides quick and easy accessory changes. This tool is perfect for working in tight or challenging spaces.

- 18,000 RPM
- .6 HP motor prevents stalls
- Spindle lock feature for quick and easy accessory changes
- Speed control switch located at the top of the tool for added control
- Rotational rear exhaust with internal silencing reduces noise level to 87 d(B)A
- Standard ¼ Erickson® style collet
- Weighs only 1.65 lbs.
- Tool Length: 7.8 Inches

This and other AIRCAT tools are readily available from leading Tool & Equipment and Industrial Distributors.
