## AIRCAT Pneumatic : 6370 Dual Purpose Vertical Polisher & Upholstery Cleaner

### Designed for Auto Tech Professionals

**Jupiter, FL January 2016:** In June 2016 Florida Pneumatic Manufacturing Corporation is introducing its new low weight composite dual purpose vertical polisher/upholstery cleaner.

#### • FEATURES

- The low weight composite housing reduces weight to only 2.5 lbs.
- The 0.6 HP motor provides a free speed of 3,500 RPM while only requiring a maximum of 12 CFM of air for continuous use.
- The 6370 comes complete with a 6-1/2" backing pad and 7" lambs wool bonnet for polishing applications.
- The AIRCAT 6370 is the only polisher available to feature an internal spindle thread that allows fitting of specialized upholstery cleaning brushes commonly used inside the vehicle.
- The removable left side assist handle has a composite grip for added comfort.

This and other AIRCAT tools are readily available from leading Tool & Equipment & Industrial Distributors.

For further information regarding the AIRCAT 6370 and other AIRCAT tools please contact:
