## PRESS RELEASE

FOR IMMEDIATE RELEASE

### AIRCAT PNEUMATIC TOOLS

#### Introduces their new 6530 Flex Head Cut-Off Tool

**Jupiter, FL January 2020:** In January of 2020, Florida Pneumatic Manufacturing Corporation will release the AIRCAT 6530 Flex Head Cut-Off Tool. The 6530 features a powerful 1/2 HP motor, AIRCAT patented “silencing technology” and a unique three position indexable head design. This tool is perfect when the user is required to make tough angled cuts in tight spaces.

- 18,000 RPM to conquer tough cutting applications quickly
- 1/2 HP motor helps prevent stalls
- Quick slide locking sleeve design for fast Flex Head Position Change
- 360° Rotational Guard
- Rotational rear exhaust with internal silencing reduces noise level to 90 d(B)A
- Cutting capacity is up to 3/4" 18 gauge rolled steel
- Weighs only 2.6 lbs.
- Tool Length: 8.8 Inches

This and other quality AIRCAT tools are readily available from leading Tool & Equipment and Industrial Distributors.

For additional information regarding the AIRCAT 810-RW or any other quality AIRCAT tool, please contact Chris Hirsch, Director of Retail and Automotive Sales at [chris@florida-pneumatic.com](mailto:chris@florida-pneumatic.com) or 800-356-3392.
