AIRCAT PNEUMATIC TOOLS
Introduces their new 810-RW 3/8-in. Mini Impacting Ratchet

Jupiter, FL January 2020: In January of 2020, Florida Pneumatic Manufacturing Corporation will release the AIRCAT 810-RW 3/8" Mini Impacting Ratchet. The 810-RW provides ultra-fast run-down and incredible power with 50 ft-lb of maximum torque. The roller clutch impact mechanism prevents kickback. Couple this with its compact design, makes this the ideal tool for working on smaller fasteners in tight locations. The patented AIRCAT "silencing technology" reduces noise levels to 86 dBA. This compact, powerful, fast and efficient tool is ideal for anyone that needs to make quick work on fasteners in tight quarters.

- 50 ft-lb maximum torque
- 550 RPM provides ultra-fast run-down
- Roller clutch impact mechanism prevents kick-back
- Forward / Reverse switch with safety lock prevents unwanted directional changes.
- Compact size is ideal for access to tight spaces
- Rear exhaust with internal silencing reduces noise level to 86 d(B)A
- Ergonomic composite over mold grip provides comfort
- Weighs only 1.43 lbs.
- Tool Length: 6.3 Inches

This and other quality AIRCAT tools are readily available from leading Tool & Equipment and Industrial Distributors.

For additional information regarding the AIRCAT 810-RW or any other quality AIRCAT tool, please contact Chris Hirsch, Director of Retail and Automotive Sales at chris@florida-pneumatic.com or 800-356-3392.
